

IT'S TIME

TO MAKE BETTER HEALTH DECISIONS.

UNDERSTAND YOUR PROCEDURE

What is it?
An appointment with a doctor you have seen in the past for a moderately complex medical condition such as...
[See More](#)

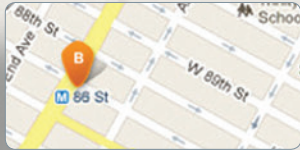

CHOOSE YOUR PROVIDER

KNOW YOUR PRICE

How it all adds up:	
In-Network Total Cost	\$465
Employer Pays	\$212
Estimated Out-of-Pocket Cost	\$253

FIND THE MOST CONVENIENT PLACE

Introducing myHealthcare Cost Estimator.

It's a next-generation online health care cost-estimation tool, available to most UnitedHealthcare members. This tool contains personalized health plan data to provide information that empowers individuals to better manage health care costs. Learn about procedures, provider options, estimated out-of-pocket costs and more. It gives you the power to know more and helps you make better health decisions.

For more information, go to uhctogether.com/ItsTime, scan the code, or talk to your broker or UnitedHealthcare representative.
