

Have a Routine Physical in 2026 to earn a Reduced Premium in 2027!

Preventive care is less costly than treating illnesses often prevented by routine examinations. Therefore, **effective 1/1/2027, Luxfer will offer a discount on employee medical premiums** if you complete a routine physical. To qualify for the discount, you must have a routine physical visit with your physician between **1/1/2026** and **10/1/2026** and submit the completed form below to Human Resources (keep a copy for your records).

Preventive screenings performed by an in-network physician are covered in full by our health plans.

Discount details for employees enrolled by 1/1/2026 are as follows:

- ☒ Complete your routine physical between **1/1/2026** and **10/1/2026**.
- ☒ Have your physician complete and sign below indicating you completed your routine physical.
- ☒ Qualify for the reduced medical premium beginning 1/1/2027.
